Victoria Feldman writes spiritual insights for magazines, her own blog and educational courses. Armed with statistics, extensive research and her own poignant, inner conflict as a person with an eating disorder, Victoria's authentic voice is heard throughout every page of her new book coming out this fall, *"Hello, Beautiful."* Victoria shares her struggles and triumphs to liberate herself and others from yo-yo dieting and weighty thoughts. Supportive self-love breaks containing soul-stirring exercises invite the reader to become an active participant in their own healing and transformation.

Victoria's first book, endorsed by Dr. Elisabeth Kubler-Ross, titled *"This is Not Goodbye...It's Halo"* is a poetic tale embracing the mysteries of the afterlife. While teaching *The Children's Material* (concepts based on *A Course in Miracles*). Victoria founded *Creative Expressions*; Malibu's first higher consciousness program for children ages 4-12.

Victoria is also a licensed Realtor and has sold 100's of millions of dollars of residential real estate, received numerous awards and authored her own real estate course *"The Heart of Real Estate"* coining the three C's: Clarity, Creativity & Commitment as the foundation of the course. Victoria hosted a television program in Los Angeles titled *"Conscious Real Estate, a Win-Win for Everyone."* Victoria was included in Who's Who in Residential Real Estate and was invited to be a panelist of women honored for their entrepreneurial achievements at UCLA's *"Women of the Year"* conference.

"By choosing to be our most authentic & loving self, we leave a trail of magic everywhere we go." Emmanuel

Latest statistics: More than 2 billion people or almost one-third of the world's population is obese or overweight. Annually, 100+ million Americans declare they are going on diets and studies show they make four to five attempts a year to shed those unwanted pounds. 85% of people who seek products, programs and surgeries are women. How many billions do we have to spend on weight-loss products, diet programs and surgeries, all touting to be the Holy Grail to achieve *"everlasting thinness"* before waking up?
